

THE ELTHAM GARDEN RETREAT BED AND BREAKFAST ACCOMMODATION

The Retreat

Consists of a trio of interlinked round rooms.

The Retreat has modern facilities and equipment, a bedroom with ensuite, a kitchen and separate sitting room.

Cool in Summer- warm in Winter.

The interior reflects the simplicity and tranquillity of the garden.

Whitewashed mud brick walls, soft terracotta tiled floors and quality linen fabrics combine to create a feeling of the spirit of place so often missing in commercial environments.

The Retreat has a private courtyard with waterfall. This is a restful atmosphere for anyone desiring a secluded retreat from a noisy urban world.
